609/3 MES colony C.T.O bairagarh Bhopal (M.P)

## SUMMARY

MERN Stack Developer specializing in crafting scalable, user-focused web applications with seamless frontend and backend integration. Adept at building responsive interfaces, secure APIs, and efficient database structures. Driven by a passion for clean code, performance tuning, and delivering impactful digital solutions through teamwork.

## EXPERIENCE

**Full Stack MERN Developer Trainee** | Intellostack.AI Pvt. Ltd.

- Building **full-stack web apps** with **secure login**, **RESTful APIs**, **CRUD operations**, and **database management**.
- Developing **task management applications** and solving real-world problems through **projects and debugging**.
- Designing **responsive and user-friendly interfaces** using **Figma** and creating **interactive prototypes** with **Eraser**.
- Collaborating in **teams** using **Jira and Trello**, following **agile workflow** and best coding practices.
- Enhancing skills in **JavaScript**, **Git/GitHub**, **performance optimization**, and building **scalable apps**.

## PROJECTS

### E-commerce Website | MERN Stack

Developed a full-stack MERN online store with product listings, cart management, and secure checkout. Implemented user authentication, API integration, MongoDB database management, and integrated payment functionality for smooth and secure transactions. Ensured responsive UI, scalability, and overall performance optimization. **[19 Day]**

### Task Management System | MERN Stack

Built a **CRUD**-based MERN task organizer with **user authentication** and priority tagging. Designed **secure APIs**, managed data with MongoDB, and implemented a responsive React frontend for seamless task management. **[6 Day]**

### Flight Ticket Booking | HTML/CSS/JavaScript

Dynamic ticket generator with form validation and responsive design. **[5 Day]**

## SKILLS

- **Programming Languages:** JavaScript, C++
- **Web Technologies:** HTML, CSS, React.js, Bootstrap, Material UI
- **Backend Technologies:** Node.js, Express.js, EJS, HBS
- **Databases:** MongoDB, MYSQL
- **Tools & Platforms:** Git, GitHub, Jira, Trello, Figma, Eraser

## CERTIFICATIONS

- **MERN Stack Web Development** – Cybrom Technology Pvt. Ltd.
- **Advanced Certification in Java Full Stack** – IIT Guwahati, E&ICT Academy in association with Cybrom Technology

## EDUCATION

Ram Krishna Dharmarth Foundation University      Bachelor of Computer Applications (BCA) [2020]
